

STEALTH SECURITY SYSTEMS does not collect personal Information.

Stealth Security Systems represents and warrants:

- 1) *Stealth Security Systems is committed to respecting the privacy of individuals and recognizes a need for the appropriate management and protection of any personal information that you agree to provide to us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request.*
- 2) *Your privacy is extremely important to us. The trust placed in us by our customers is absolutely essential to our success. We understand that and do all we can to earn and protect that trust. We do not share your personal information with any outside companies nor collect any information.*
- 3) *Our Commitment To Privacy:*
 - a. *We take customer privacy seriously and do not sell or give out any customer information. We do not keep a mailing list nor distribute a newsletter.*
 - b. *Stealth Security Systems will not entrust third parties with the care, custody or control of Personal Information, or should it do so, will have an agreement in place that governs the third parties' use of Personal Information that is substantively the same as this provision*
- 4) *Stealth Security Systems does not share any information collected from our website or email platform with any outside source. We do not ask for any personal information and we respect this privacy policy. When using our contact us page form to submit your request the emails are sent to our sales department in which we do not share the content of that email or the address with anyone outside of our company.*

As Stealth Security Systems matures and if or when we adopt collection of Personal Information into our business practices, the following will be the point of contact for Privacy Compliance:

Nish Logan, CEO
